10	Presently before the Court is Plaintiff's motion to compel (ECF No. 39), filed on February 8,
11	2017. Defendant has not filed a response.
12	Under Local Rule 26-7(b), all motions to compel discovery must set forth in full the text of
13	the discovery originally sought and any response to it. Local Rule 26-7(c) further requires that
14	motions to compel will not be considered unless they include a declaration setting forth the details
15	and results of the meet and confer conference for each disputed discovery request.
16	Plaintiff has not certified an attempt to meet and confer with Defendant regarding the
17	disputed discovery material. Nor has he provided details of the results of the conference. In order to
18	determine the nature and extent of the dispute, the Court requires a description of each disputed
19	discovery request along with an explanation of the status of the dispute after the meet and confer
20	conferences.
21	IT IS THEREFORE ORDERED that Plaintiff's motion to compel (ECF No. 39) is DENIED
22	without prejudice.
